Alexandri's Hosted Test Beds

Webinar—Wednesday **April 12th, 2006** at 12:00 Noon CST
**Using Hosted Test Beds to Drive Sales
and Customer Satisfaction.**

Clients who can benefit from a Hosted solution:

- County Governments
- City Governments
- Water districts
- Potential Customers
that want a Test Drive
- Customers needing a
Test Bed

The Alexandri Advantage provides

All the
functionality of
an in house
solution with
none of the
headaches.

**Tune in to hear how your customers can benefit
by using Hosted Hummingbird Test Beds from
Alexandri.**

Presentors:

Kenneth Bitz—VP of Sales for Alexandri—Former City
of Houston administrator and high tech sales manager.

Brent Reid—President of Alexandri - RM Consultant to
Hummingbird customers including City of Austin, City of
San Antonio, Capital Metro, Defense Department, NSA,
International Truck, Chevron and others.

**Learn how you as a Hummingbird Partner can benefit
by marketing Hosted Solutions to your customers and
potential customers.**

Discover how you can provide a Solution For Records
Management to clients who require RM but can't afford
to bring it in house.

**This Webinar will focus on the benefits of a Hosted
Solution for Records Management, and how using a
Hosted Solution for a test platform can benefit you
and your customers.**
